ABOUT US.

NAVAL ORIENTATION (IMO Co. ID 0039842) is a premier, **ISO-certified** maritime hub delivering 24/7 port agency, high-quality ship supplies, and certified marine survey services. Headquartered in **Oman** with a global network, we ensure minimized turnaround times and absolute compliance for shipowners worldwide.

GLOBAL PRESENCE

Our strategic branches located worldwide ensure we provide seamless, timely, and 24/7 services across major shipping lanes:

- **The Gulf:** Sultanate of Oman
- **UK:** London
- **Asia:** Pakistan
- **Africa:** Egypt

MISSION & VISION.

MISSION

- Our mission is to **empower vessel owners** and operators by delivering comprehensive, safe, and certified shipping solutions **24/7** while consistently driving cost efficiency, minimizing turnaround times, and ensuring strict international environmental compliance

VISION

- Our vision is to be the **ultimate global benchmark in port agency** and technical marine services, recognized by international shipowners and fleet managers for flawless execution, speed of response, and unwavering reliability across major maritime trade routes

OUR HISTORY.

- **The Launch: Local Port Agency Operations**

Launched in Oman with a core focus on premium port agency and vessel husbandry, establishing the benchmark for minimized port delays and optimized vessel turnaround times.

- **Technical Expansion & High-Quality Supplies**

Expanded into marine engineering and high-quality ship supplies (Ship Chandling) while achieving our triple ISO certifications (9001, 14001, 45001) for safety and compliance.

- **Global Footprint & Network Integration**

Extended our reach beyond the Gulf by synchronizing international hubs in the UK, India, and Pakistan, providing seamless 24/7 coverage across all major Omani ports (Salalah, Duqm, Sohar, and Muscat).

- **Smart Shipping Solutions**

Today, NAVAL ORIENTATION stands as a globally recognized maritime partner. We continuously invest in advanced crew management software, cutting-edge subsea tools, and eco-friendly frameworks, ensuring our clients' assets navigate global routes cost-effectively.

WHY CHOOSE US ?

- 01 **Certified Global Quality:** Operating under strict international benchmarks with ISO 9001, 14001, and 45001 certifications to guarantee safety and compliance.
- 02 **Integrated Ship Management & Solutions:** A complete range of services including technical ship supply, certified tank cleaning, marine fenders, and expert port agency.
- 03 **Strategic Global Presence:** An active network and 24/7 support across key maritime hubs in the UK, Oman, Egypt, and Pakistan.
- 04 **Operational Speed & Efficiency:** Minimizing vessel downtime through rapid port clearance and swift, round-the-clock execution.

OUR SERVICES.

Naval Orientation provides a fully integrated ecosystem of maritime solutions engineered to optimize your fleet's operational efficiency and protect your marine assets. By combining global technical expertise with deep local knowledge, **we deliver seamless port agency**, certified technical services, and reliable supply chain logistics.

Our mission is simple: We minimize your vessel's port stay, manage your risks, and ensure your fleet is **always voyage-ready**.

1. PORT AGENCY & VESSEL HUSBANDRY:

Full-scale port logistics, custom clearance, and swift 24/7 turnaround coordination across all major maritime gateways.

2. SURVEY & INSPECTION:

Independent hull, bunker, cargo, and P&I condition surveys backed by internationally certified maritime inspectors.

3. SHIP TO SHIP OPERATIONS:

Complete coordination of secure offshore transfers utilizing advanced equipment under strict international safety standards.

4. VESSEL MECHANICAL REPAIR AND MAINTENANCE:

- Main Engine
- Generator
- Turbocharger
- Hydraulic Systems
- Diesel and Petrol Engines

5. VESSEL ELECTRICAL REPAIR AND MAINTENANCE:

Comprehensive onboard marine automation, switchboard troubleshooting, and electrical system diagnosis and repair.

6. UNDERWATER SERVICES:

- Underwater Survey & Inspection
- Hull Cleaning
- Underwater Hot Work

7. MARINE PNEUMATIC FENDER REPAIRS AND MAINTENANCE:

Specialized repair and maintenance of marine pneumatic fenders.

8. MACHINERY SPARE PARTS SUPPLIERS

Wide range of high-quality spare parts for marine machinery.

9. PROVISION SUPPLY FOR VESSELS:

Premium food provisions, fresh water, deck, cabin, and engine stores delivered with strict quality controls.

10. MARINE FUEL AND LUBRICANT OIL SUPPLY:

Efficient supply of marine fuel and lubricants.

11. CREW MANAGEMENT:

STCW & MLC compliant seafarer recruitment, marine travel logistics, visa coordination, and full rotation management.

12. VESSEL BROKER & CHARTERING:

Specialized commercial fixtures, cargo fixing, and expert brokerage for Time, Voyage, and Bareboat charterparties.

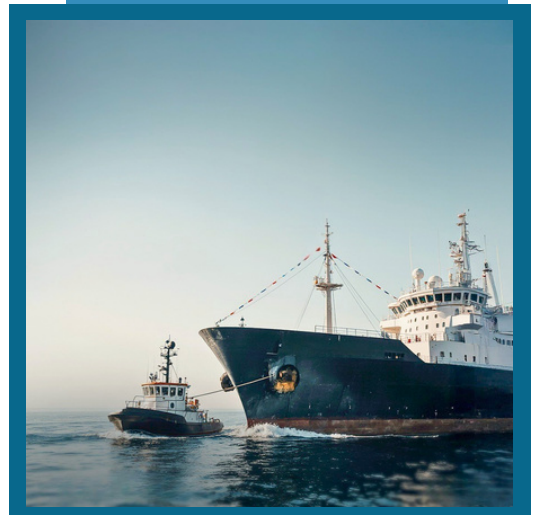

13. PROFESSIONAL SHIP TANK CLEANING:

Delivering safe, gas-free cargo and fuel tank cleaning, sludge removal, and chemical washing in strict compliance with international MARPOL environmental standards.

14. SALVAGE AND TOWING:

Expertise in complex salvage operations and efficient towing services.

OUR CERTIFICATIONS.

At **NAVAL ORIENTATION** our operational workflows are anchored in strict regulatory compliance and global risk management frameworks. We maintain **full international accreditations** to guarantee that all vessel husbandry, technical supplies, and port agency operations delivered to our shipowners and fleet managers meet the highest industrial benchmarks.

OUR CLIENTS.

Driven by mutual trust and operational excellence, we are proud to be the preferred maritime partner for the world's leading shipowners and fleet managers. Together, we navigate global trade routes with unyielding compliance, safety, and efficiency at every call.
